Cambridge International School

WELCOME

Dr. S. Radhakrishnan International School is a premiere K-12 institution, building world graduates who are future ready. In keeping with our unwavering focus on quality in education, we offer students a sensitive and strategically designed curriculum that gives students an international perspective.

The Cambridge Advanced curriculum in our school is a customized program, designed to give our students the best academic advantage for higher studies. In keeping with BCG values and practices, students are provided with a variety of experiences that integrate their intellectual and psychological growth into the educational plan.

With highly qualified and experienced faculty, the students have easy access to a wide range of resources that supplement their syllabus. Using digital technology and researched based methodology, students are empowered to gain mastery over their chosen subjects, in an environment that is both demanding and supportive. Enconced in the warm and student centric environment of our school, students will have the best quality material and people to work with. Educators provide individual attention to their students and encourage them to optimize their true potential to achieve their best.

I welcome you to experience first- hand our warm and sensitive school environment.

Warm Regards

Principal
DSRIS - M

Cambridge International AS & A Levels

Cambridge International AS & A Levels provide a strong platform for students to progress to university and beyond. Students develop abilities which universities value highly, including:

- A deep understanding of their subjects
- Higher order thinking skills – analysis, critical thinking, problem solving, presenting ordered and coherent arguments
- Independent learning and research

Aimed at 16–19 year old students before university study, Cambridge International AS & A Levels are popular due to their universal acceptance for higher studies. In India, the AS and A Levels are considered equivalent to stds. 11 and 12.

The A-Level students show high quality performance at the undergraduate level, and stand with the best for future courses at the graduate and professional level.

Students are offered a choice of subjects, meeting the requirements of the Science, Commerce or Arts/Humanities streams:

SCIENCE	COMMERCE	HUMANITIES
English	English	English
Physics	Business	Psychology
Chemistry	Accounting	Economics
Biology/ ICT	Economics	Business
Mathematics/ Psychology	Mathematics	Information Technology
Information Technology	Information Technology	Sociology

Eligibility: The course enrolment is open to students of all Boards - IGCSE, IB, ICSE, CBSE, SSC - conditional to student performance.

WHY CHOOSE TO STUDY IN DSRIS?

IN OUR SCHOOL, EVERY CHILD MATTERS

In keeping with our unwavering focus on quality in education, our school offers a student - sensitive and strategically designed curriculum that gives students an international perspective, and yet retains a cultural flavour. Our students are encouraged to develop an international outlook, and become confident, global citizens.

Here are some things that our students and parents particularly appreciate:

- A customized programme, designed to give our students the best academic advantage for higher studies
- An environment that is both demanding and supportive to help students gain mastery over their chosen subjects
- Highly qualified and experienced faculty trained by Cambridge experts, having a strong subject foundation and valuable experience with Cambridge curriculum and assessments
- Easy access to a wide range of resources that supplement their syllabus
- Friendly, supportive and relatively informal atmosphere that allows students to blend in successfully and feel quickly at ease

- Individualized attention where educators know their students keenly, with a realistic understanding of their strengths and challenges
- Comprehensive preparation for examinations, revisions, test papers and assessments
- Specific, timely, and constructive feedback

The school is equipped with modern facilities for students:

- Well-equipped Science Laboratories
- Computer Laboratory
- Reference Library
- Customized Curricular Material
- Lecture Series by Expert Guest Faculty
- Off-site Activities for Practical learning
- Range of Extra-curricular Activities offered like Model United Nations and Cultural activities
- Professional Career Guidance to explore opportunities in India and abroad
- Counselling Facilities

Studying in our school will be a special experience for students.

“ In our institution “every child matters”. The batch size of the Advanced levels ensures individual attention, guidance and support to students. Our well experienced faculty implements methodology in a child centric manner. Apart from instilling academic rigour, our school also focuses on developing skills of 4 C's for 21st century learning viz. Critical thinking, Communication, Creativity and Collaboration, in the young minds. The 4 C's not only provide a framework for successful learning in the classroom, but also ensures that students can thrive in a world where change is constant and learning never stops. With wide ranging exposure, we provide the best learning opportunities for our students. Our faculty assists students in identifying strengths and challenges and in developing the right focus thereby ensuring that students are able to make appropriate course and career choices in. At DSRISM we equip students for success to adapt and flourish in the fast-changing modern world.

TESTIMONIALS

Dr. S. Radhakrishnan International School is a place, a haven where I grew academically, personally, socially...in every aspect possible, where I was moulded into the confident and responsible person I am today!

Doing my AS Level and A Level in Dr. S. Radhakrishnan International School was an absolutely amazing experience! The amount of support that every single teacher showed me, even those whose subject I had not taken, makes me feel so grateful to them! Falling ill during my A Level board exam was an extremely challenging time, physically and mentally! But the help I received from our Principal, and all the teachers, made everything so much more easier. They trusted me, constantly reminded me of my capabilities and made sure I did my best! There is nothing more I could have asked for!

Dr. S. Radhakrishnan International School is my second home and undeniably one of the best things that happened to me!

VAISHNAVI IYER
(AL Topper Batch of 2020)

It gives us an immense sense of achievement when we think of our decision of enrolling our son, Aadi for Cambridge AS and A Level course in Dr. S. Radhakrishnan International School. The school has always provided a supportive and motivating environment which propelled Aadi to achieve his best, become more self-assured and responsible. We would like to appreciate and thank all the teachers for the care and guidance provided and equipping Aadi to meet all future challenges confidently. - Varsha Bhogle (Parent of Aadi Bhogle – A level-2022-23)
